at National Medic Mentor Weekend on the 17th and 18th of June taking place **at the University of Stirling: 7 different healthcare conferences at the same venue happening on the same day!**

Please note that these events are likely to fill up quickly!

It is a highly valuable opportunity for your students to network with a variety of healthcare professions, learn about work experience opportunities and how to make a successful application.

Registration is £25 for the Saturday conference and there is an optional UCAS lecture available on Sunday for each specialty. Students can register on the Medic Mentor website and find out more about the events: <http://medicmentor.co.uk/about/events-2/>

All proceeds from the weekend will be used to support our UK's healthcare students with scholarships, elective bursaries, free training and educational initiatives.

Teachers can attend for free, as well as students from disadvantaged backgrounds.
