UNICEF – ARTICLE OF THE WEEK

Article 3

The best interests of the child must be a top priority in all things that affect children.

(ALL) EXAM PERIOD

1. Pupils are reminded that week 2 of the Assessments for S4, S5 and S6 takes place this week. These finish on Thursday 8th February. The main corridor will be closed during the assessment period. You cannot walk down this corridor at any time during the exam period including before school starts.
2. There will also be notices up elsewhere (particularly in the back corridor) saying there are exams in progress. Please be very quiet in those areas when you are passing by. If the sign says the corridor is closed, then please show respect for those sitting exams and do not enter unless you have a class to go to or an appointment.
3. During the exam period, classes held in A2 or A3 should enter the back corridor from the quad and past the toilets. There is no need to walk down the whole corridor to get to class.
4. During the exam period the Assembly Hall will be unavailable at lunchtimes. Please have your lunch in the Canteen or Quad. Apologies for this inconvenience but hopefully, there will be a little more space in the Canteen during exam time to allow you some seating. However, please note that those pupils who have bought canteen lunches need to have the first option for seating. After they are finished their food, then those with shop bought food can sit down. Again, please clear up and show respect and support of our canteen staff who work hard and should not have to do extra cleaning up of shop bought items. LM/DE

(ALL) CORRIDORS/STAIRS

Please remember that pupils are not to eat or drink while they are walking up and down the stairwell and along the corridors or on the stairs at BREAK or LUNCHTIME. LM
