

## Consultation on the Pattern of School Term Dates and Holidays from 2020 to 2025

The current pattern of school term dates, holidays and In Service days is set until July 2020.

Aberdeenshire Council has developed a draft calendar for the next five years and wants to hear the views of parents, carers, pupils, staff and the wider public before the dates are finalised.

Please return your completed form to:

The survey will be open until Monday 6<sup>th</sup> May 2019

The Education & Children's Services Committee of Aberdeenshire Council will consider the results of this survey at their meeting in May 2019 at which stage they will hopefully approve the final set of term dates.

Presently the February mid-term break is a combination of occasional days and in-service days often either side of a weekend.

3. Do you think we should have a full week in February instead of a split break?

- Yes
- No
- Not Sure
- No Preference

Any Comments

When the last pattern of term dates was agreed, the 'Easter' holidays were fixed to the first two full weeks in April and are no longer dependent on when Good Friday and Easter Monday fall.

We would like to continue with having fixed holidays in April, and a number of other councils in Scotland are also trying to put this in place.

4. Do you think that we should have fixed holidays in the first two full weeks of April for the next five years?

- Yes
- No
- Not Sure
- No Preference

Any Comments

We try wherever possible to avoid starting or finishing a term part way through a week.

5. Do you think we should continue to have full weeks where possible at the start and end of term?

- Yes
- No
- Not Sure
- No Preference

Any Comments

Aberdeenshire Council tries to have school holidays at the same time as neighbouring councils, in particular Aberdeen City Council.

This is to help families who live in Aberdeenshire but who work in Aberdeen, and also those who live in Aberdeenshire but are zoned to an Aberdeen City secondary school. There are many families where the younger children are at an Aberdeenshire primary school and older children attend Aberdeen City secondary schools.

6. Do you think we should continue to have our holidays at the same time as other councils where possible?

- Yes
- No
- Not Sure
- No Preference

Any Comments

On the next pages you will see the planned pattern of term dates for each session and be asked if you agree with them.
