

DIGITAL UPDATE

VODAFONE DATA SIM CARDS

We currently have a small number of data only Vodafone sim cards available for any pupils who require data to complete their work at home. These can be used in a mobile phone or a Wi-Fi dongle.

If you intend on using the data from a mobile phone device your phone must be unlocked in order to be able to use it. For further information about the Data Sims please contact Miss S Alecio either via the school office or via email at:

Bring your own device

Pupils may use their own devices for learning in lessons in accordance with teacher direction. Pupils should follow the red, amber, green signage in each teaching area.

RED – Devices must be switched off and in bags.

AMBER – Please Ask. You may be allowed to use your device for classwork.

GREEN – You may use your device for educational purposes.

Pupils are encouraged to bring their own devices into school for learning. We advise that those pupils who have been allocated a school issued Chromebook bring it in on a daily basis.

Don't forget to charge your device!

If your child does not have a device they can bring into school to use for their learning such as a tablet, iPad, laptop or Chromebook please let the school know via an email to: Miss Alecio

DIGITAL LEADERS

Some of our digital leaders entered a logo design competition to design the new logo for the Turriff Academy Digital Leaders. A huge congratulations to Abigail Strachan for designing the winning logo.

We will be recruiting new digital leaders for each year group in June for more information. See Miss Alecio

WELL DONE TO ABIGAIL STRACHAN OUR DIGITAL LOGO DESIGN WINNER!
