S1 DIGITAL SKILLS

Our S1 pupils have digital skills as well as information systems this year. In Digital skills pupils have been provided with new devices and encouraged to bring their own.

This month pupils have been learning to use Class Notebook on OneNote, learning how to organise their files on their one drive and will be looking at managing and organising their emails over the next few weeks.

S1 Pupils have also been using these skills in other classes across the school.

S1 Pupil Devices

All our S1 pupils have now been offered a device by the school. S1 pupils should therefore ensure to bring their devices into school everyday, ensuring they are fully charged.

IMPORTANT INFO

Study support sessions for senior pupils will be available on E-sgoil and Scholar.

MOST DESIRABLE SKILLS

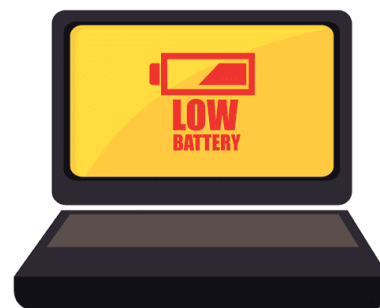

Bring your own device

S2-S6 Pupils

We have several S2-S6 pupils on the waiting list for devices. We are currently trying to source more devices for our young people.

If pupils have a device at home, we encourage them to bring this in for their learning.

WARNING: PLEASE DO NOT LET THE DEVICES RUN OUT OF BATTERY COMPLETELY AS THEY WILL DISCONNECT FROM THE SCHOOL SYSTEM.

DIGITAL LEADERS

All S1 pupils have now been invited to apply to become a digital leader within the school. They have had a week to apply and applications will close on Monday 4th October 2021 at 9am. If your young person still wishes to apply over the weekend please fill out the following: [Application form.](#)

We currently have a strong team of digital leaders who help the teachers and their peers out with technical issues in the classroom.

They participate in events like the P7 visit and Internet Safety Day and help to develop and implement new ideas using digital technology around the school.

VIRTUAL PARENTS EVENING

The first virtual parents evening took place on Thursday 30th September 2021 with our S4 pupils. The next virtual parents evening is in October for our S2 pupils.

Information about the parents evening will be sent out prior to the day. Any further concerns please email Miss Alecio.
