### **The George Davidson Memorial Trophy for Friendship, Positivity and Resilience**

Many of you will be aware that we lost a much-loved member of our supply staff last year, Mr Davidson. Mr Davidson used to really enjoy taking part in all of our end of year activities and in particular working with our young people to show case the talents of their house in the end of year house videos. He was always an ambassador for the underdog, saw the good in everyone and always had a smile on his face.

His family kindly donated a trophy to be presented to a pupil who reflected what he was about. After much thought, it was decided that this award would go to someone who goes out of their way to be helpful to others, is thoughtful and whose actions genuinely have a positive impact on others as well as showing their own personal resilience.

This award this year goes to:

Abi C
