

# DIGITAL UPDATE

## WELCOME TO THE SCHOOL MONTHLY DIGITAL UPDATE!

Welcome all to the Turriff Academy digital update. This will be a monthly newsletter to keep you up to date with all the latest digital technologies we have introduced and been using within the school.

This update will also provide information about any activities that pupils can participate in involving digital technologies.

A special thanks to all our pupil digital leaders and the work you have been doing throughout the lockdown. They have been helping to produce the pupil questionnaires and will be working on the digital updates.

## VODAFONE DATA SIM CARDS

We currently have a small number of data only Vodafone sim cards available for any pupils who require data to complete their work at home. These can be used in a mobile phone or a Wi-Fi dongle.

If you intend on using the data from a mobile phone device your phone must be unlocked in order to be able to use it. For further information about the Data Sims please contact Miss S Alecio either via the school office or via email at:  
[gw14alecioshakira@glow.sch.uk](mailto:gw14alecioshakira@glow.sch.uk).

## HURRY LIMITED OPPORTUNITY!

Thank you to Vodafone for the provision of these for schools!

### UPCOMING EVENTS

**CALLING ALL SENIOR PUPILS  
FREE NATIONAL STUDY  
SUPPORT SESSIONS OVER  
EASTER WITH E-SGOIL**

[\*\*CLICK HERE TO ACCESS\*\*](#)

**“Sharing is good and with digital technology sharing is easy”**

# Bring your own device

Pupils may use their own devices for learning in lessons in accordance with teacher direction. Pupils should follow the red, amber, green signage in each teaching area.

**RED** – Devices must be switched off and in bags.

**AMBER** – Please Ask. You may be allowed to use your device for classwork.

**GREEN** – You may use your device for educational purposes.

Pupils are encouraged to bring their own devices into school for learning. We advise that those pupils who have been allocated a school issued Chromebook bring it in on a daily basis.

**Don't forget to charge your device!**

If your child does not have a device they can bring into school to use for their learning such as a tablet, iPad, laptop or Chromebook please let the school know via an email to: Miss Alecio

## DIGITAL LEADERS

The digital leaders were selected at the start of the year through tasks the pupils had completed and through an application process where we had a number of candidates interested in taking on the role. They have been working hard to support other pupils and teachers both in school and online over this past year.

We will be recruiting more digital leaders in June this year! More information to follow over the coming months.

## WELL DONE!

A huge well done to all our pupils staff and parents for developing their digital skills even further over this last lockdown!

Time for a well-deserved break!
