

Why English?

Language and literacy skills are important in school subjects, and later in the world of work. Not only will you be able to communicate with others better, you will be more confident in carrying out new and more challenging tasks in everyday situations.

Course Outline

This course helps you understand how language works, and how to use it to communicate ideas and information in English. You will get to use creative and critical thinking to produce ideas and arguments, and to develop critical literacy skills as well as personal, interpersonal and team working skills. You will also develop an appreciation of Scotland's literary and linguistic heritage

ENGLISH NATIONAL 3

Details of Course Components

This Course is made up of three mandatory Units.

The Course provides learners with the opportunity to develop their listening, talking, reading and writing skills in order to understand and use language.

English: Understanding Language (National 3)
