

Why English?

Language and literacy skills are important both in school subjects, and later in the world of work. As you develop your literacy skills, you will be able to process information more easily, and apply knowledge of language in practical and relevant contexts. You will become more confident in taking on new and more challenging tasks in a variety of situations.

Course Outline

This course helps you understand how language works, and how to use it to communicate ideas and information in English. You will get to use creative and critical thinking to produce ideas and arguments, and to develop critical literacy skills as well as personal, interpersonal and team working skills. You will also develop an appreciation of Scotland's literary and linguistic heritage.
