

## **Ready, Steady, Study!**

### Student Advice & Support Team Summer Transition Support Events

The Student Advice & Support Team will be hosting online events throughout July and August for applicants on mainstream courses who have additional support needs, including those who are Care Experienced or are Young Carers, and would benefit from a supported transition to College. We also recognise that the current circumstances and prospective blended learning approach may exacerbate some anxieties and pose new challenges.

Ready, Steady, Study! will allow applicants to meet the Student Advice & Support Team, provide an opportunity to address any queries they have before they begin their course, and provide them with some essential skills in order to ensure their transition is as smooth as possible.

The sessions will include:

- An opportunity to meet with other applicants and with staff
- Group exercises, discussions and team working
- Virtual Campus Tours
- Introduction to Study Skills
- Introduction to Money Management
- And more...

Should you have any applicants, who have either a conditional or full offer to attend College, who you feel would benefit from attending one of our Ready, Steady Study! events and/or meeting with the SAST to discuss their support needs ahead of commencing College, please contact the team via [studentadviceandsupport@nescol.ac.uk](mailto:studentadviceandsupport@nescol.ac.uk) to discuss further.

Kind regards,

Cara MacKenzie on behalf of the Student Advice & Support Team
