

SCHOLAR Parent Information

What is SCHOLAR?

SCHOLAR provides high quality interactive, online material at National 5, Higher and Advanced Higher level for over thirty SQA courses.

Students can:

- Study independently, anytime, anywhere.
- Access notes, summaries, animations and simulations
- Achieve instant feedback from a variety of valuable quizzes, activities, end of topic tests for every topic in a unit and end of unit tests for every unit
- Take part in live tutor sessions with experienced teachers in English, Maths, Modern Languages, Computing Science and Physics.
- View recordings of previous homework sessions
- Monitor their progress with the reporting system.
- Use SCHOLAR to help catch up on missed class work (e.g. through illness)

Independent evaluation of SCHOLAR has shown that pupils who use SCHOLAR most often do better in their SQA exams.

What Subjects are covered?

The courses currently covered by SCHOLAR are:

- **National 5** – English, ESOL, French, Gaelic, German, Spanish, Mandarin and Mathematics.
- **Higher:** Accounting, Art and Design (Textile option only) Biology, Business Management, Chemistry, Computing Science, Economics, English, ESOL, French, Gaelic, German, Human Biology, Mathematics, Physics, Psychology and Spanish.
- **Advanced Higher:** Accounting, Biology, Business Management, Chemistry, Computing Science, Economics, English, French, German, Mathematics, Physics, and Spanish.

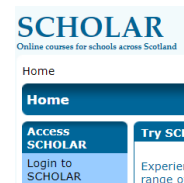

How to access SCHOLAR

All students registered to sit any SQA course listed above will have their own log on, consisting of a **username** (Scottish candidate number) and **password**.

Log-in details are available from:

- Subject teachers
- Ms Kate Clark Depute Headteacher (SCHOLAR coordinator)

Enter <http://scholar.hw.ac.uk/> and select Login to SCHOLAR.

Parental Access

Visit our website to view the **Try SCHOLAR** section showcasing the range of subjects we offer.

<http://i.mp/tryscholar>.

To request a parent password with access to all courses or for further enquiries contact us at info@scholar.hw.ac.uk. Please include your son or daughters name, class and name of the school.

SCHOLAR on the go

Students can access SCHOLAR anywhere there is an internet connection. To make full use of SCHOLAR on phones or tablets, download the free Puffin Academy web browser from the Android Play or Apple App store. Puffin Academy will load any Adobe Flash content which would otherwise not appear properly in most mobile browsers.
