

With the Easter Holidays having now passed your School Careers Coach is starting to phone pupils at home, who have indicated that they might be leaving at the end of this school year. We are offering the same support as we would be in school and checking in and supporting pupils with this next transition.

If you would like to arrange a time you can either call, text or email on:

rebecca.stoker@sds.co.uk 07786 688829 or 0141 468 7723

If you previously had not been planning to leave but have now changed your mind and would like support, please also get in touch. I am always happy to hear from pupils and parents/guardians.

If you need help with looking for work/training, interview preparation, college/university application, I would be happy to help - just let me know. Please try to stay in the mindset of applying and exploring options as things will improve and opportunities will still exist. You can visit myworldofwork.co.uk for information.

You can also find services for parents/carers online at myworldofwork.co.uk/parents/topics and mykidscareer.com

Best Regards

R Stoker
