

Why Drama?

Drama gives you the opportunity to use your imagination and express yourself in a creative and practical way. It helps you to develop important skills such as problem solving, communication, planning, teamwork and creative thinking. It is particularly suitable for those who love being creative, getting their ideas across in a dramatic way, communicating their ideas within a group setting, as well as exploring all the technical aspects of theatre.

Course Outline

Drama is a practical, hands-on subject that develops your creativity and imagination, and your artistic skills. You will learn how the use of voice, language and movement can develop your ideas for drama. Also, you will learn the skills and techniques involved in planning, producing and presenting drama. You will also find out how actors and writers work, and how the environment and culture affect their work.
